

“ We are engulfed in a culture of violence that extracts an unacceptable toll on the young people in this community and gnaws at its very soul. ”
– School Principal

2011 Northbridge Insurance Inner Circle Conference

DAREarts ignites change! We build courage and confidence in children, who are threatened daily by drugs, violence and hopelessness, to become tomorrow's leaders, by harnessing the core power of the arts – **D**iscipline, **A**ccountability, **R**esponsibility and **E**xcellence.

Thank you sincerely, Northbridge Insurance Inner Circle Brokers, for your generous donation. Together we are changing the lives of at-risk children – one future leader at a time!
